About the Authors

Michael Stack, Principal of Amaxx LLC, is an expert workers' compensation cost containment systems and provides education, training, and consulting to help employers reduce their workers' compensation costs by 20% to 50%. He is co-author of the #1 selling comprehensive training guide *"Your Ultimate Guide to Mastering Workers' Comp Costs: Reduce Costs 20% to 50%."*

Stack is founder and lead trainer of COMPClub, an exclusive member training organization on workers' comp cost containment best practices. This organization goes deep into topics monthly such as return to work, communication, claims best practices, medical management, and working with vendors. Employers, brokers, carriers/TPAs, attorney's, and vendors share best practices and perspectives monthly in small group mastermind discussion calls.

As the primary author of Amaxx's publishing division, Stack is on the cutting edge of innovation and thought leadership in workers' compensation cost containment. He stays in tune with the latest industry challenges, pursuing partnerships with industry leaders to provide the go-to resource for workers' comp cost containment best practices.

Rebecca Shafer, President of Amaxx LLC., is an attorney, risk consultant, and acknowledged thought leader in the workers' compensation cost containment niche. She collaborates with companies -- large and small -- to help them significantly reduce their workers' compensation costs by as much as 20% to 50%. She is the co-author of the #1 selling comprehensive training guide *"Your Ultimate Guide to Mastering Workers' Comp Costs: Reduce Costs 20% to 50%."*

Shafer's field experience allows her to incorporate a deep knowledge of manufacturing, distribution, printing/publishing, pharmaceutical, transportation, retail, food service, volunteer, and many other industries with her risk management expertise. She has represented well-known industry leaders, such as *The New York Times*, OfficeMax, First Group America, Wyeth, USAir, and Universal Orlando.

Licensed to practice law in Connecticut and New Hampshire, her law firm experience includes insurance defense. She serves on the LexisNexis Workers' Compensation Practice Executive Committee, the National Workers' Compensation & Disability Conference Committee, and is a frequent writer and speaker.

Kori Shafer-Stack, Editor with Amaxx LLC., is an expert in post-injury response procedures and focuses on how companies can reduce workers' compensation costs. Shafer-Stack has a consulting background working at Pricewaterhouse, Coopers and Deloitte.

She was a contributor to the Workers' Comp *Tool Kit*, developing, forms, checklists, and tools, including the *Implementation Planning* phase. She edits and contributes to the award-winning *WorkComp Roundup* blog, providing insight and workers' compensation cost-cutting techniques to employers, risk manager, & brokers..
